

# Project Milestone Report

Please give a short description of the project overall:

## Overall Comments

This app is sponsored by Bishop Kevin Stevens of the Rexburg YSA 8th ward and Primary Sponsor is his Executive Secretary Taylor Olsen. The way this app will work is first the Bishop would post his weekly schedule. Then members would log into the app and ping ES. The Bishopric and Executive Secretary can see the taken time slots.

For each deliverable of this milestone, please list the deliverable (copy and paste it from your project milestone plan), select how well it was met, and briefly describe your team's progress in that area.
